### **ICS Phase 1: Transmission of RENS**

As regard the information of an Entry Summary Declaration to be amended by a RENS message, it is not possible to modify the following data:

- a) Lodging Person Summary Declaration;
- b) Representative Trader;
- c) Office of first entry (declared).

If it is necessary to amend a) or b) data, it is necessary to send a new ENS.

For c), if the actual office of first entry is a NON Italian office you must send a new ENS to the system of the MS concerned, if it is another Italian office, CARGO system, through the lodgment of arrival manifest (MMA with Entry Key data), selects the ENSs from AIDA without further burden for declarants.
